

# St. Mary's Catholic Primary School School Newsletter

Friday 24<sup>th</sup> January 2025

#### Morning Drop-off

All pupils (from Reception to Yr6) arrive from 8.40am via our Rockingham Road entrance. **This gate is locked** at <u>8.45am</u> each morning.

#### **Collection Times**

All classes (Reception to Year 6) finish school at 3.15pm. Afternoon Nursery finishes at 3.30pm.

#### P.E. Lessons

Although each class is timetabled for PE lessons, this often changes due to wet weather and/or extra sports coach sessions.

All pupils (Years 1 to 6) should bring their P.E kits into school **every Monday** and then take them home at the end of the day on Friday. Thank you.

#### Pupil Bags in School

We ask that pupils only bring in book bags (and draw string P.E bags for their P.E uniform). Each child only has a single peg for these bags (in most cases in the main corridor) and we **do not have the space for large rucksacks** or other similar bags. Thank you in advance.

# Dear Parent/Carer,

Today was the launch day of the Jubilee Year. This is a holy year which happens every 25 years in the Catholic Church. Today, we came together as a school community to make a pledge to work together for God's kingdom of justice, peace and love. Father Nicholas lead a Mass in the morning and then stayed, in school, to lead an assembly with all pupils introducing this Jubilee Year. Thank you to all the family members who joined us for Mass. We are very much looking forward to Year 5's class assembly, this afternoon, looking at the history and importance of the Jubilee celebrations (our Early Years and KS1 pupils watched a dress rehearsal on Wednesday afternoon). We have planned further school events, throughout this year, including the Big Lent Walk. You can find out more about the Jubilee Year here: <a href="https://cafod.org.uk/pray/jubilee-2025">https://cafod.org.uk/pray/jubilee-2025</a>

# Year 6 Water Aid Talk

A representative from Water Aid visited our Year 6 class, on Wednesday, to talk about their work in helping to provide clean water for communities around the world. Our Year 6 pupils have planned a cake sale, in the next few weeks, to raise money for Water Aid. Thank you to our Year 6 pupil Eco Council members for arranging this talk for their class.

# <u>Attendance</u>

We are sure that like us, you as parents and carers, realise the importance of attendance and punctuality. At St. Mary's, we continue to work hard to try to raise attendance levels and to reduce instances of lateness. There is much evidence to show that good attendance plays a vital role in helping your child to achieve their potential. We also know that poor attendance can lead to other problems for children. How can you help your child attend school regularly? •Talk to your child about school. Make sure your child understands why school is important; •Get everything ready for school the night before;

·Arrange appointments before or after school or during the school holidays;

•Take holidays during school holidays and not during term time;

·Set your alarm and your child's alarm clock- see who can beat the clock!

•Only grant days at home for genuine illness (you will know!)

·If your child is slightly under the weather, still send them into school- children often start feeling better as the day goes on and they get busy, and if the school is worried, we will call you.
